Examiner Alright? Remember you have one to two minutes for this, so don't worry if I stop you. I'll tell you when the time is up.

Candidate OK

Examiner Can you start speaking now, please?

Candidate Yes. One of the most important things I have is my piano because I like playing the piano. I got it from my parents to my twelve birthday, so I have it for about nine years, and the reason why it is so important for me is that I can go into another world when I'm playing piano. I can forget what's around me and what ... I can forget my problems and this is sometimes quite good for a few minutes. Or I can play to relax or just, yes to ... to relax and to think of something completely different.

Examiner Thank you. Would it be easy to replace this, this piano?

Candidate Yes, I think it wouldn't be that big problem but I like my piano as it is because I have it from my parents, it's some kind unique for me.
